ForeverGreen Worldwide Corporation (FVRG), a leading direct marketing company and provider of health-centered products, announced recently advancements made in the Southeast Asian region. Members from across Southeast Asia recently gathered for a regional meeting representing India, Philippines, Malaysia and Vietnam. The Company was able to set a course for a strong beginning to 2017, as well as a successful pre-launch of Prodigy-5.

ForeverGreen Worldwide Corporation develops, manufactures and distributes an expansive line of all natural whole foods and products to North America, Australia, Europe, Asia, Africa and South America, including their new global Xpress offering Prodigy-5. Additional products include PowerStrips, SolarStrips and BeautyStrips. They also offer their North America weight-management line Ketopia, along with FrequenSea, a whole-food beverage with industry exclusive marine phytoplankton, immune support and weight management products, and Pulse-8 powdered L-arginine formula.
